- Letter No L1 585/36-37 dated 3-9-1936 from the Municipal Commissioner, Bangalore city forwarding for publication preliminary notification & statements in respect of the acquisition of lands in Agrahar Thimmasandra Village required for the formation of a road adjacent to the Wesleyan Mission Compound connecting the Lalbagh Road and the New Kumbargundi Road

It is stated that the cost of acquisition has to be met from State Funds The present acquisition does not seem to be a part of the Kumbargundi Scheme, as the proposed road is only to connect the Kumbargundi Road with the Lalbagh Road. An enquiry may perhaps be made as to how the present acquisition forms part of the Kumbargundi scheme

The Comm does not definitely / clearly say how the present acquisition forms part of the Kumbarguda scheme It has perhaps to be presumed that this is in connection with the further acquisition of properties on either side of the new Kumbarguda Road

Sir

With reference to your letter No L-1999/M1 37-36 dated 12th September 1936, enquiring as to how the proposed acquisition of lands in Agraharathimmasandra Village, required for the formation of a road adjacent to the Wesleyan Mission compound, connecting the Lalbagh Road and the New Kumbargundi Road, forms part of the Kumbargundi scheme, I have the honour to state that the cost for the formation of the New Kumbargundi Road has been met from the State Funds sanctioned for the Kumbargundi scheme and the cost of further acquisition of properties on either side of the New Kumbargundi road, is also debitable to the same funds A copy of the layout plan, showing the area available for disposal, has been submitted to Government with my letter No L1-144/36-37 dated 28th August 1936

The road in question is a part of the scheme and therefore the cost has to be met out of the Funds sanctioned for the Kumbargundi scheme

A plan of the proposed road is herein enclosed for reference
